This application form regards import/export according to the Swedish Ordinance (1994:1830) on import of live animals etc. and the Swedish Ordinance (1994:542) on export of live animals etc. Please note that for import/export of endangered species (CITES) a special application form has to be used. You can order the application form from the Board of Agriculture's Documents and Telecommunications Division or download the form from our website <www.jordbruksverket.se>.

The Application must be the Swedish Board of Agriculture to hand at least 30 days before the estimated date of import/export. Please note, that the time required for the handling of the application may vary depending on the nature of the issue.

Registration/licence is subject to a fee that is to be paid in connection with the application.

Information on relevant fees is given by the Swedish Board of Agriculture, Department for Animal Welfare and Health. Please attach confirmation of payment of the application.

Please send your application to:
